CONNAUGHT SERIES

With the birth of the Dominion of Canada Football Association in 1912, a national competition was inaugurated in 1913, with the winner presented the newly-struck Connaught Cup. The winner's trophy was donated by the Duke of Connaught, the 10th Governor General of Canada and a Patron to the Dominion of Canada Football Association.

THE GREATEST SPORTING CARNIVAL OF ITS KIND

There was plenty of excitement ahead of the first Connaught Cup Series in the summer of 1913. That first Championship took place in Fort William, Ontario (today Thunder Bay) with club representatives from four areas of the footballing country: Norwood Wanderers of St. Boniface, representing Manitoba; Fort William Canadian Pacific Railways, representing New Ontario; Toronto Old Country, representing Ontario; and Lachine, representing Québec.

As noted in the *Daily Times-Journal* ahead of the competition, this would be "the greatest sporting carnival of its kind ever held in Canada."

A meeting was held in the city hall (on 25 August) to formulate the plans for the games. Among those present were W.J. Burdett, industrial commission, Vernon Jones, J.T. Stenhouse, E.R. Gavin, J. Wood, W.C. Sample, and H. Taylor, who occupied the chair.

The following strong committees were appointed: Entertainment committee - Mayor G.A. Graham, Major E.R. Wayland, G.Foll, J. Murphy, C.W. Jarvis, and A.V. McGrath Advertising and publicity committee - W.J. Burdett, H.Scott, Sporting Editor Times-Journal, and W.C. Sample Ground committee - H.Taylor, J.T. Stenhouse, and J.Wood Finance committee - A.A. Wilson, S.J. McQueen, Alf Cooper, and Dr. Stewart

The meeting was a very enthusiastic one, the members of the committee offering to do everything in their power to make the tournament a great success. All the preliminary arrangements have now been completed and it is now up to (Dominion of Canada Football Association president) Fred Barter to make the draw and announce the dates.

Ahead of the games, organisers hoped that a representative from Alberta would also be included in the mix, specifically the famous Caledonian FC club from Calgary. The Callies declined, however, on account of receiving such a late invitation.

For the first two years, the competition was organised in a league, round-robin format. In the very first match on 1 September 1913, hosts Fort William Canadian Pacific Railways won 3:2 over Toronto Old Country in front of 2,000 fans at Arena Park. Over the course of six days in that first year, the four teams played three matches each, with the Norwood Wanderers of St. Boniface the narrow winners after going undefeated with a win and two draws.

Back home, the winners were celebrated, with the mayor's address published in the Manitoba *Free Press*:

Gentleman - on behalf of the city council of St. Boniface, I have great pleasure in welcoming you on your return from Fort William. Your success in the recent football Championship reflects great credit both upon your organisation and also, I am happy to say, to the credit of this city.

You have worthily upheld the traditions of clean British sportsmanship and have won a great and most coveted position in the annals of Canadian sport.

On behalf of the city council and citizens in general, I am glad and happy to say that we assisted financially in helping along the good work and I wish therefore to thank you for the splendid way in which you have the justified our assistance and have also brought before the people of this Dominion the name of this our great city of St. Boniface.

In 1914, five teams played four games each in a round-robin series in Winnipeg from 7-12 September. For the second year in a row, the Norwood Wanderers from St. Boniface came out on top. Undefeated again, they narrowly won the Connaught Cup this time on goal average. As explained in newspapers, "the victors' score of six points was equaled by the CPR team of Fort William, but by virtue of the fact that their goal average was better, the possession of the trophy remained with the defenders."

As it was the previous year, the 1914 competition was decided on the last day. On that day, goalkeeper and tournament hero Walter Simpson posted his third clean sheet in four matches. By virtue of playing at 'home' (St. Boniface neighbours the City of Winnipeg), the Norwood Wanderers were quick to start their celebration on the city streets, as carefully reported by the Manitoba *Free Press*.

Pandemonium was let loose on the way. No one could escape the knowledge that Norwood Wanderers of St. Boniface had won the Connaught Cup for it was spelled out, shouted and sung from every throat in all the cars and the noise was increased by several dozen horns which the boys blew till their heads ached.

For its third year, the Connaught Series format was changed, this time pitting the best from the "east" (Ontario-Québec) against the best from the "west" (Manitoba-New Ontario). After winning their respective semi-finals, Toronto Lancashire FC hosted Winnipeg Scottish FC in the 1915 Dominion final at Varsity Stadium in Toronto.

After a scoreless draw on 11 August, Winnipeg Scottish FC hammered the home side with a 6:1 win on 12 August to capture the Connaught Cup. Since rules stipulated the winner would be the first team to accumulate three points in the final (one point for a draw, two points for a win), there was no need to play the third match.

Winnipeg's deciding win was a game for the ages, in fact the biggest lop-sided win in a Championship final for 12 years until 1927. Injured captain Billy Anderson captured that scene in his written report to the Winnipeg *Tribune*.

They played a never-to-be-forgotten game and when the contest ended, the Toronto spectators rushed on the ground and carried the players off, shoulders high. They were unanimous in saying that the Scottish team was the finest that has been seen in Toronto.

The 1915 team stood out for a few reasons, notably establishing a Dominion three-peat between the neighbouring cities of St. Boniface and Winnipeg. Centre half Billy Innes, the hero of the 1913 finale, became the first player to capture Dominion honours with two different clubs.

Injured Anderson and spare Bob Cook were two other former St. Boniface players who had crossed the river to join Scottish FC, although neither featured in either round of the 1915 Connaught Series. Two other names of note were multi-sport stars John "Jocko" Anderson and Howard "Pappy" Wood.

Anderson won hockey's Allan Cup the following year with the Winnipeg 61st Battalion, then won the Stanley Cup in 1925 with the professional Victoria Cougars. Wood, meanwhile, later became a three-time winner of The Brier, Canada's annual curling championship, in 1930, 1932, and 1940.

While Billy Anderson traveled with the team to Toronto, vice-captain Billy Corrie accepted the honours at the post-competition banquet. In his report to the *Tribune*, Anderson picked "Wee" Johnny Plendereith as the hero of the Dominion final.

INSPIRATION FROM THE BIG CROWDS

As the Great War suspended regular soccer activity in Canada, there was no Connaught Series from 1916 to 1918. When the competition resumed in 1919, the final was played in Montréal between home side Grand Trunk FC and visiting Winnipeg Great War Veterans.

Grand Trunk FC won the Connaught Cup with wins on 14 and 16 August, the first at the National Grounds and the second at Westmount Park. As noted in the Montréal *Gazette*, "the double victory of the Grand Trunks was a good demonstration of their superiority and generalship, as they outplayed their visitors in both games, leaving no doubt as to their victory for the coveted honours."

Grand Trunk FC had lost in the 1915 semi-finals to Toronto, but returned with greater strength four years later. In both rounds of the 1919 Connaught Series, the three matches in Montréal boasted record crowds of 4,000-6,000 fans per match.

Long before the scheduled time of the commencement of play, the stands at the Westmount grounds were filled and the crowd was making an effort to rush the bleacher gates, bringing back memories of the palmy days of sport in Montréal, when just such a crowd was filling the stand to witness a lacrosse or rugby game. Those crowds have passed to the soccer game and at the present time there is no other branch of sport that will attract the gathering that a soccer match will.

Over two rounds, four different Montréal players scored two goals each: centre forward Davie Adamson (who after an injury was replaced by Bill Worsley), inside right Jimmy McLeish, inside left Eddie Stott, and outside right Artie Woutersz.

Outside left Alec Smith was the hero of the Dominion final, involved in the play that led to the McLeish series winner in the opening leg and then assisting on the Stott insurance goal in the second leg.

In 1920, the Championship playdowns were expanded to five teams with the addition of the Regina Soccerites (the first Saskatchewan representative since the 1914 series). Regina lost to the Winnipeg Brittanias, while Montréal CPR lost to Hamilton Westinghouse. From there, a three-team series between Winnipeg, Hamilton, and Fort William was supposed to produce a champion, but the system did not work and the August matches were awash.

As reported in the Toronto Mail and Empire:

This looked all right on paper, but one game was sufficient to upset all the unhappy calculations of the (Dominion of Canada Football Association). Fort William and Brittanias battled to a draw in 20 minutes of extra time and the next time Westinghouse took on the tired Brittanias and won an undeserved victory. Westinghouse is not and never will be in the same class as Britannias. The result was that instead of the finals being played on Saturday, Britannias and CPR played a game, and Britannias winning, the whole series was knotted again. Britannias and Fort William, fed up to the neck with the treatment accorded them, and very properly fed up, announced their intention of returning to their homes and of letting the DFA executive win the cup.

To try and get out of the mess in the easiest way, the DFA took a hat, put three slips of paper in it, and commenced a new draw.

The draw gave all three teams a new chance, with an initial series to feature Winnipeg against Fort William and then the winner to face Hamilton in the final. Winnipeg won the first series in late August, then traveled east to face Westinghouse in early September.

Already traveling without their top goalkeeper McColm (injured in August), Winnipeg suffered further woes in the series finale on 6 September. After a 0:0 draw in the first match in Hamilton, they took a 1-0 lead in the second match at Toronto. Near the end of the first half, however, Winnipeg's star centre forward Stan Howell was

hobbled by an ankle injury. Then in second half, Hamilton's Billy Gilvear equalised to send the series into extra time.

Beyond 90 minutes, Winnipeg were without both Howell (no longer able to continue) and McLean (also retired through injury). Against nine men, Hamilton's Gilvear scored the series winner just five minutes into extra time at Varsity Stadium.

Remember what you will about Winnipeg's strong campaign, the club from Hamilton were deserving champions, none moreso than captain and series hero Albert "Tiny" Thombs who received the match ball after the final whistle.

The Toronto Telegram was quick to celebrate their rival city:

It was a great finish to a strenuous fight and there can be no doubt the team won, on the day's play, and Hamilton have every reason to be proud of the boys who wear the red and white.

Some day, we hope a Toronto team will win the Connaught Cup, but meantime it is up to the sportsmen of this great city to congratulate the present winners.

The Telegram, and the City of Toronto, did not have to wait long for their own champions.

In 1921, the Championship expanded to eight teams, with additions from British Columbia, Alberta, and Nova Scotia. British Columbia and Alberta had intended to join the competition in 1920, but both pulled out late (which made a mess of those 1920 playdowns).

With eight teams, the inter-provincial playdowns were played geographically from coast to coast across the country, with the eventual west and east winners meeting in Toronto for the Championship final.

Ladysmith FC advanced from the west, while Toronto Scottish FC advanced from the east. In the two-match Dominion final, the hosts

won the series 4-0 on back-to-back clean sheets at Broadview Field on 3 August and Island Stadium on 6 August.

Toronto's first Championship was perhaps never in danger, as the local team was too good for their travel-wearied opponents. Wrote Billy Fenton in the Toronto *Telegram*:

The Ladysmith boys were beaten, but not disgraced. A better team never entered Toronto in search of the Connaught Cup, which is so much more to the credit of Scottish.

Indeed, 36-year old fullback and grand master Geordie Campbell was the hero of the Championship. Goalkeeper Smith posted a record five clean sheets in six matches while Hector MacDonald (10 goals) and Teddy Young (seven goals) headed the lopsided scoring. Against Fort William, Montréal, and Ladysmith, Toronto's undefeated record showed 26 goals scored and just two conceded.

One year later, another famous Toronto team got their first crack at the Dominion Championship, but this time it was the team from the west that took home the honours. Incidentally, Toronto Ulster United FC were not the only future champions that fell to Calgary Hillhurst FC in the 1922 playdowns: so too did Nanaimo FC and Winnipeg United Weston FC.

While Toronto featured stars like Fred Dierden, brothers Bobby and Phil Lavery, and Billy Sim, Calgary featured their own cast of stars in Bernie Cartwright, Fred Deluce, brothers Ed and Stan Wakelyn, and goalkeeper Andy Wilson. Calgary also featured former England international George Davis, who was now 41 years old.

In Toronto at Scottish Field, Calgary won the first match 2:1, then held their hosts 0:0 to win the title in the Saturday finale. A full 7,000 fans attended the second leg, only to see their home side reduced to nine men through unfortunate injuries to Billy Hunt (fractured leg in the first half) and Jimmy King (broken leg early in the second half). Despite the uphill battle, Toronto Ulster United FC never quit on attack, as duly noted in the Manitoba *Free Press*.

These two accidents were enough to shatter the morale of any team and with the task of playing nine men against eleven, and a goal to obtain to even the series, there was every reason for the Ulstermen to fade, but they did not.

Calgary's defence, however, was strong enough, with goalkeeper Wilson posing his first clean sheet of the 1922 playdowns. Wilson was the hero of the Dominion final, making 11 saves in that second leg. The afternoon match was also played in incredible heat, with three players collapsed after their return to the dressing rooms.

Upon arriving home by train five days later, Calgary Hillhurst FC were greeted to a hero's welcome, where "several enthusiasts shouldered (captain Stan Wakelyn) and bore him in triumph to the cars awaiting the boys."

In 1923, Nanaimo FC emerged from the west to beat Montréal Canadian Pacific Railways in the Championship. Beginning that year, Winnipeg's Alexander Park became the site of the Dominion final for the next nine years, a fair choice being somewhat half way between the teams in the west and the teams in the east. From 1923 to 1939, Winnipeg hosted all but two Championship finals: the 1932 edition was in Toronto while the 1936 edition was in Vancouver.

En route to the final, Nanaimo FC beat Coleman in Calgary and then the Fort Rouge Rangers in Winnipeg. The Vancouver Island team then stayed in Winnipeg where they met the traveled Montréal CPR, who arrived from the semi-finals in Fort William.

The hero of the 1923 series was 31-year old Dickie Stobbart, who two years earlier had reached the Dominion final with Ladysmith FC. In capturing the 1923 Championship, he became the last player to win both The People's Shield (1913 with Nanaimo United) and the Connaught Cup (which he would win again in 1927, 1928, and 1931).

In 1924, it was Winnipeg United Weston FC's turn to capture the Championship, the first of two in a three-year span. From 1924 to 1926, Winnipeg were easily the best team in the competition,

winning seven of eight series and posting a record of 11 wins, six draws, and just one loss. That one loss would come as a result of a second-half collapse in the 1925 semi-finals against Nanaimo FC.

In the 1924 playdowns, Winnipeg beat an impressive side from Cumberland FC, one which included former Connaught Cup winner Fred Deluce of Calgary, future winner Dave Turner and his mate George Graham from Edmonton, Billie Milligan from Regina, and Jack Monaghan from mainland Woodfibre. To defeat them, Winnipeg goalkeeper Eddie Derby posted back-to-back clean sheets while Alex Slidders scored both goals in those semi-finals.

In the 1924 Dominion final, Winnipeg United Weston FC fully "deserved their honours" through a two-match series against Beloeil Canadian Explosives. After a 3:2 win in the first leg, Winnipeg fought tooth and nail to capture the honours through a 0:0 draw in the second leg, as noted by the Winnipeg *Tribune*.

The match had all the glamour of a Cup tie and it was fought like one, too quick, nervous shooting, determined work by both defences, and many thrills contributed to the football feast

The Connaught Cup truly is a much coveted trophy and there was a keenness about this game which left no doubt that there was a real desire on both sides to secure the prize.

Among the 1924 heroes were goalkeeper Derby (four clean sheets), fullback brothers Art and Dan King, left half Jock McNeil, centre half Bill Matthews, outside right Scotty Lang, and centre forward Slidders (five goals).

"Big" Bill Matthews made the most notable impact throughout the playdowns, with the "lanky" 21-year old hero filling in admirably for the departed Bob Harley (who in 1924 represented Canada on a tour across Australia). According to the Winnipeg *Free Press*, Matthews was "a team in himself at times."

In 1925, it was again the City of Toronto's turn to lift the Connaught Cup. In the west, Nanaimo overcame a 10-man Winnipeg side to reach the final: the "downfall of Winnipeggers can be traced to the time (fullback) Debnam was injured" in the 75th minute of the series finale, after which Nanaimo scored both the equaliser and winner. In the east, Toronto Ulster United FC pushed aside both Montréal Carsteel FC and the Fort William War Veterans.

In Winnipeg, the Dominion final lasted three matches, with Nanaimo and Toronto even after back-to-back draws. In the extra match, Toronto captain Bobby Lavery scored a brace to secure the Dominion honours. As noted in the Toronto *Telegram*:

For their victory, Toronto must give chief credit to Bob Lavery, who scored both goals last night, and by scoring two minutes from time on Monday made it possible to bring off last night's triumph

Lavery was not the only star on that 1925 team, as the Ulstermen also featured goalkeeper Smith (who added four more clean sheets to his record after the 1921 series with Scottish), Fred Williams at right back, Joe Clulow at centre half, Phil Lavery at inside right, and series hero Jimmy Moir at outside left. As noted by the *Canadian Press*, Moir was "the one man who was responsible for the eastern victory and the westerners' downfall."

A MOST MAGNIFICENT NEW TROPHY

In 1926, a magnificent new trophy was presented as the prize at the end of the Dominion of Canada Football Championship. While the competition would still be known as the "Connaught Series," the original Connaught Cup was retired (only to be later re-introduced as the trophy for the Eastern finals).

It was only after considerable debate that the new trophy, donated by the Football Association of England, replaced the Connaught Cup. Similar trophies had been presented by the F.A. to the associations in South Africa, Australia, and New Zealand. After a close vote at the Dominion of Canada Football Association's 1925 annual meetings (10-7), the new Challenge Trophy got its debut as the most important trophy in Canadian football.

Mr. Charles Smail, a council member from Alberta who would later be elected DCFA vice-president and then president, read the Reports Committee recommendation as follows:

Your committee have considered this matter at great length and while realising the prestige of the present Connaught Cup, we feel that it has well served its purpose and we unanimously recommend that the new sterling trophy presented by the F.A. of England be the trophy emblematic of the Dominion Championship, the series for this Championship be known as the "Connaught Series."

From the 1926 inter-provincial playdowns across the nation, Cumberland Canadian Collieries emerged from the west while Winnipeg United Weston FC emerged from the east. Three successive matches ended in draws, including the third match after extra time. The fourth and final match nearly ended the same way, but then Johnny Lang jumped on a loose ball and fired home the 89th-minute series winner to the delight of the home crowd.

Playing without injured centre half Bill Matthews, Winnipeg United Weston FC turned to goalkeeper Eddie Derby who starred as the hero of the 1926 playdowns. In the Championship finale, Derby "had one of the most brilliant games of his career."

As reported in the Winnipeg *Tribune*, Dominion of Canada Football Association council member H.W. Scrymgeour made the presentation of the new trophy to the winning team.

The handsome trophy donated by the F.A. of England was presented to captain Dan King by H.W. Scrymgeour, who in his address stated that the cup series was the best and the cleanest that had ever been staged in Canada. He added

that in his opinion Cumberland and Weston were the best teams that ever competed in the final and that the better team had won.

In 1927, two-time Dominion champions Winnipeg United Weston FC failed to reach the inter-provincial playdowns, with the Fort Rouge Rangers winning Manitoba's place for the opening round against Saskatoon. Led by Dennis Rivett, Saskatoon won the first series, but then lost to eventual champions Nanaimo FC.

Playing without star fullback Ernie Edmunds (away on international duty on Canada's summer-long football tour of New Zealand), the Nanaimo Wanderers pushed past Edmonton Canadian Legion before trouncing both Saskatoon in the semi-finals and Fort William Canadian Legion in the final.

Nanaimo FC broke the competition's six-year record for goals in the playdowns (31 goals in six matches, broken one year later) and the 12-year record for biggest win in the Dominion final (a thorough 9:0 win over Fort William on 1 August, finally broken 42 years later by Vancouver Columbus FC in 1969).

Four Nanaimo players scored five or more goals in the competition, with Dave Cowie (six), Alex Fowler (five), John Sandland (six), and Nelson Wilson (five) all hitting the target at a regular pace. Cowie was the hero of the Dominion final, scoring five goals in two matches.

As competition in British Columbia would have it, the now two-time Dominion winners from Nanaimo would not reach the inter-provincial playdowns for another eight years, with mainland squad Westminster Royals FC ready to start an incredible dynasty. That run of four Championships in nine years started in 1928.

The 1928 Westminster team boasted a wealth of stars, notably inside right Stobbart (formerly Nanaimo FC) and inside left Turner (formerly Cumberland FC). The Royals also featured George Anderson at right back, George Russell at centre half, Harry Chapman at outside left, and Jock Coulter at centre forward.

Before they headed east in their journey, Westminster Royals FC opened against Edmonton Canadian Legion at Con Jones Park in Vancouver. They quickly won the first series, then rolled over the Manitoba champions Winnipeg Westbrook in the semi-finals. By now, the Manitoba *Free Press* called them the "best British Columbia team ever sent."

The game falls naturally to the boys and that they are accomplished players no one will deny and critics have even gone to the extent of heralding them as the finest team that has left the coast to compete in the Dominion championship.

Westminster's opponents in the 1928 Dominion final were Montréal Canadian National Railways, an emerging powerhouse from the East who would become the first team to reach the final three years in a row from 1928 to 1930.

The prevailing opinion that the Westminster Royals soccer team will be faced with a hard task to overcome the Dominion soccer title in the game at Carruthers Park at 3.30 o'clock this afternoon is strengthened by the report on the pedigree of each player with the Québec team. Every man has made a name for himself in Canadian football and can be relied upon to give a good account against the Royals.

After the finalists split the opening two matches, Westminster pulled away in the final 45 minutes of the third match to claim the title. There was no question that Westminster were the best team in the country.

All told, they scored a record 32 goals in seven matches, losing just a single match when their lineup was weakened through injury. Big Coulter scored a competition record 15 goals, including seven in the final series against the Montréal Canadian Nationals.

Westminster and Montréal would meet again in the 1930 final, but not before Montréal won a Connaught Series of their own in 1929. With Westminster unable to escape the provincial finals, Winnipeg United Weston FC returned to the grand stage after victories over Regina Scottish FC and Edmonton Canadian National Railways.

The 1929 Connaught Series was Montréal's year. After knocking off Oshawa and Fort William, they crushed Winnipeg in the final with nine goals over two matches.

Bill Finlayson was the hero of the 1929 Dominion final, scoring four goals and two assists against Winnipeg. He finished with a tournament-best seven goals, while teammate and Danish international Poul Nielsen finished tied for second with four goals. Outside right Joe Williams was the other force with three goals, all scored in the final against Winnipeg.

Montréal's Jimmy Nelson, with the help of fullbacks Harry Barnes and Jock Duguid, became just the second goalkeeper to completely shut out his opponents in a Dominion final, joining goalkeeper Jack Smith who accomplished the feat for Toronto Scottish FC with back-to-back clean sheets in 1921.

In 1930, the two big clubs from Westminster and Montréal met again in the Dominion final. After Westminster's Coulter scored the lone goal in the first match, Montréal's Finlayson scored a brace in the second match to equalise the series.

In the third and deciding match on 2 August, it was Coulter that scored the series winner on a penalty. As noted in the Winnipeg *Tribune*, it was a Championship classic from start to finish.

This affair on Saturday was the finest exhibition of football seen in Winnipeg during the series. Two brands were noticeable and the players of both sides changed their tactics so often that the match from start to finish kept the large crowd on an edge.

Coulter scored the penalty in the 40th minute and then Montréal pushed hard for an equaliser in the second half, but goalkeeper Aubrey Sanford was the hero of the match. Sanford, with the help

of his fullbacks Anderson and 17-year old Sammy "Daisy" Waugh, closed the door to clinch Westminster's second Dominion title in three years.

The loss marked an end to CNR's three-year dynasty in the east. In 1931, Montréal Carsteel FC emerged as the Québec winners with the help of Bob Calder, Sam Chedgzoy, Eddie MacLaine, Dave McEachran, Bill McKean, Jimmy Mellin, and former CNR stars Bob Campbell and Bill Finlayson. The Carsteel XI also featured then-goalkeeper Richard Shorrock, who a few years later switched positions to centre forward.

MacLaine scored all four Montréal goals in the playdowns, but Carsteel were eliminated by the new powers of the East: Toronto Scottish FC. Andy Stevens led the way as he scored four of Toronto's five goals.

In the West, Westminster Royals FC were back in the Dominion final despite losing a handful of players through suspension. They eliminated both Edmonton CNR and Winnish Irish in the playdowns before meeting Toronto in the Championship.

On paper, Westminster Royals FC had no problem winning the 1931 Dominion final, outscoring their opponents 5-0 over two matches. Even without suspended Coulter in the lineup, they found the net through first-time winners Ernie Hammond (who led the playdowns in scoring) and Bill Findler. Stobbart, meanwhile, won his record fourth (and last) Championship winner's medal.

Westminster captain Dave Turner, now a three-time Championship winner, scored the series winner midway through the first half of the finale. Wrote Tommy Cavaghan of Winnipeg, Turner "was without the slightest shadow of doubt the outstanding player on the field."

In the Toronto XI, there were some big-name players, with 34-year old perennial all-star Art Halliwell making his Connaught Series debut at the tail end of an outstanding career. Despite the loss, the Toronto goalkeeper made a favourable impression on the Winnipeg crowd.

It was a game of features but the work of Art Halliwell, goalie, will live long in the memory of the crowd present. Art, rotund and strongly reminiscent of (William "Fatty") Foulke, of English international fame, saved his team from at least a six-to-nil defeat. Shot after shot was turned aside, while the fans gaped in wonderment as the big fellow three times hurled himself full length across the face of his citadel to pull off miraculous saves.

Halliwell was not back the following year, but most of the Scottish FC lineup was intact when the Toronto team won the 1932 Connaught Series at home in Toronto - the first Championship final played outside of Winnipeg since 1922.

Stevens was at the heart of the Toronto attack. After missing much of the 1931 playdowns through injury, he led 1932 Connaught Series with seven goals in six matches. He scored in both wins against the Fort William Canadian Legion, in both a win and a loss against Montréal Blue Bonnets, and in both wins (three goals) against North Shore United FC in the Dominion final.

Wrote Peter MacRitchie of Stevens, his "speed, his deft footwork, and deadly accuracy were ever a source of worry to (North Shore) who could not cope with his rushes."

Toronto Scottish FC were not done. After winning an unofficial North American title between Canada and USA in June 1933 (a 2:1 win over Stix, Baer and Fuller of St. Louis), Toronto went on another roll just a month later in the 1933 Connaught Series playdowns to capture their second consecutive Dominion title. It was their third title since 1921.

After Toronto eliminated McIntyre Mines and Montréal CNR, they traveled shorthanded to Winnipeg where they met Prince Albert City Reds in the Dominion final. With only 11 players healthy for travel, Toronto played a cautious game over the first two matches before picking up the pace in the series finale.

The two most notable players missing were regular captain Billy Somers (injured) and goal-scoring star Stevens (bereavement after the passing of his mother). Picking up the pace, Bill McManus won the tournament goal-scoring title (10 goals in nine matches) while Hector MacDonald (who first won a Dominion title in 1921) played the hero's role as he scored three of Toronto's five goals against Prince Albert.

With MacDonald, McManus, Somers, and Stevens all missing the following year, Toronto Scottish FC lost in the opening round of the 1934 playdowns. Sophomore Harry Phillips scored four goals in four matches, but his Toronto team were no match for the younger Sudbury Frood Mines, who in turn were no match for Verdun Park FC in the semi-finals.

While Verdun Park FC won the east, Prince Albert City won the west for the second year in a row. This time, the team from Saskatchewan knocked off famous clubs Westminster Royals FC (with star Coulter injured) and Winnipeg United Weston FC.

In the Dominion final, Verdun Park FC beat Prince Albert to capture the honours. Two of Verdun's biggest names were Larry Fitzpatrick, the tournament's leading goalscorer, and Roland "Dempsey" Castonguay, the 21-year old breakout star and tournament hero.

Verdun Park FC's national laurels lasted only the one winter, with the club folding before the start of the 1935 season in Montréal. Out of their shadows, the new Québec representatives in the Connaught Series were Montréal Aldred, who featured four former Verdun players and four former CNR players.

In the west, Westminster Royals FC were upset in the provincial final in what the Vancouver *Sun* reported as a "dazzling" 11-goal affair. Tied at the half, Westminster went ahead before Nanaimo turned the game on its head and won 7-4.

With Royals literally with one foot on the eastbound train and once again this West's representative in the Connaught

Cup competition, Nanaimo unleashed a second scoring bolt. In less than five minutes (substitute Bill "Scotty") McGregor scored twice and (John) Sandland sandwiched one between Scotty's brace.

Nanaimo and Montréal both made their way to the Dominion final where the easterners came out on top in what turned out to be a four-match affair. After the first three matches were split (each with one win, one draw, and one loss), Bob Campbell scored his second career series-winning goal in the 1:0 finale at Carruthers Park.

A few of the big names in the Aldred Building lineup were Campbell, Larry Fitzpatrick, brother Charlie Fitzpatrick (the hero of the 1935 series), Peter Keir, Ronnie Low, and goalkeeper Nelson. The young "Dempsey" Castonguay also made the jump to Aldred in 1935 (after a brief trial in Sudbury), but he missed the Connaught Series through injury.

The 1935 series was a "grueling" excursion for the winners from Montréal. As noted in the Montréal *Gazette*, "eleven matches in 21 days with almost 3,000 miles travelling was a big test and only the fine spirit of the players had carried the team through to success."

BRILLIANT BRITISH COLUMBIA

In 1936, neither Montréal Aldred nor Nanaimo made it out of their respective provinces. Instead, a pair of famous teams made it all the way back to the Dominion final. Hosted in Vancouver, Westminster Royals FC represented the west while Winnipeg United Weston FC represented the east.

As noted in the Vancouver *Sun*, the Winnipeg side was simply "outclassed" by the famous Westminster team. After splitting the first two matches, Westminster won the third with writer Al Windser noting that they "positively trounced Winnipeg in the deciding game."

Austin Delany, the two-time Championship winner-turned "Vancouver Soccer Authority" for the local newspaper, called his former Westminster team a "machine."

Weston were completely outclassed by a soccer machine. They fought back admirably. Several times they changed their team in an effort to stop the short-passing game that harassed them throughout.

In winning the title, Westminster became the first four-time winners of the Dominion title. Captain Dave Turner was the lone player to feature in all four Championships, also lifting the trophy each time in 1928, 1930, 1931 and 1936.

Turner was the hero of the series, working brilliantly with Coulter and Johnny McKay. In the Dominion final, Turner scored three goals and three assists in three matches, including the series winner.

Coulter finished the playdowns with 13 goals in four matches, thus becoming the only player to win the Connaught Series goalscoring title on three occasions. After missing the opening match against the visiting Calgary Callies, he scored a record seven goals in an explosive 12:0 win on 25 July. The 34-year old forward then scored six goals against Winnipeg, improving his Connaught Series record to 41 goals in 19 career matches.

For the rest of the decade, the Dominion honours stayed out west in British Columbia, although always running through Winnipeg as part of the Connaught Series playdowns.

In 1937, Vancouver Johnston National Storage won the title over Toronto Ulster United FC. The easterners won the first match, but then Vancouver won the next two. Opponents James "Swede" Larson and George Graham finished with six goals each (across all rounds), but Larson was the hero with two goals in the final match.

Like Verdun Park FC three years earlier, Vancouver JNS folded after winning the 1937 Championship. Players quickly joined other teams

for the new season, with notably Trevor Harvey, Larson, and Reg Liptrot all joining North Shore United FC for the 1937-38 season.

It took five games in the 1938 Dominion final, but North Shore United FC eventually beat Timmins Dome Mines for the Championship title. They played 11 matches and scored a tournament-record 43 goals, including an 11:1 destruction of Calgary Callies in the opening round.

The top two scorers of the 1938 Connaught Series were both in North Shore colours: Jimmy Spencer with 14 goals in 10 matches (one less than Coulter's 1928 record) and Mike McManus with 13 goals in 10 matches.

Timmins nearly had North Shore in the Dominion final, but the North Vancouver team won the third match to extend the series. Centre half Trevor Harvey was the star of that match, shutting down goal-scoring wizard George Chambers from the Timmins attack.

Harvey, still only 21, was the hero of the Dominion final. In leading North Shore to victory, he completed a unique hat trick by winning three successive titles with three different teams from 1936 to 1938 (Westminster, Vancouver, North Shore).

In 1939, it was up to Vancouver Radials to continue British Columbia's dominance in the Connaught Series. After eliminating Edmonton Civics and Winnipeg Irish in the playdowns, they faced a stern opponent from the east in Montréal Carsteel FC.

Montréal had three Castonguay brothers in their lineup, with Ronald joined by both Marcel and Paul-Émile (who led the 1939 playdowns with nine goals in nine matches). They also had an incredible unbeaten streak, one which was extended to 24 matches (all competitions) after the first two matches of the Dominion final (a draw and a win) against Vancouver.

With their backs against the wall, the Vancouver Radials won the next two matches to capture the 1939 Championship. The

Vancouver *Sun* called them "as plucky a group of youngsters as ever (to come) out of the west." After a 2:0 win on Friday to even the series, they won the finale 3:1 on Saturday. In those last two matches, two-sport star and Connaught Series hero Hap Smith scored two goals and three assists for the champion Radials.

CHAMPIONSHIP LEGACY

In early July 1940, The Dominion of Canada Football Association put a pause to their annual Championship, canceling the current year and not yet taking a decision on the 1941 edition. While the provincial competitions were already underway (Billy Fenton reported a "falling off of 50 per cent" in attendance through the Toronto *Telegram*), no inter-provincial matches were ever played.

From Ontario and Québec, Toronto England United and Montréal Carsteel FC were the winning representatives that would have competed in the 1940 playdowns.

On 19 August, that decision on the future of the Connaught Series was taken when the Association "suspended opertions for the duration of the war." That pause in action lasted six years.

After the Second World War and then the reorganisation of the Association, the Championship resumed in 1946. As remarked by historian Colin Jose, "by now many of the players who had starred in the pre-war finals had retired; after the interval, many famous team names disappeared and new teams emerged."

From 1913 to 1939, the Dominion of Canada Football Association crowned 24 national champions. There were 16 different winners from 11 cities in five provinces. The more than 70 different teams featured more than 1,300 players across 324 Connaught Series matches. A legacy to football's great past, those famous names - clubs, cities, footballers, and heroes - will forever be celebrated.

NORWOOD WANDERERS FC OF ST. BONIFACE

STORY OF THE CHAMPIONSHIP

The first Dominion of Canada Championship came down to the last day, with a 2:2 draw tipping the standings in favour of St. Boniface over the hosts from Fort William. After five days of football, Toronto Old Country and Lachine were out, which meant the Norwood Wanderers FC of St. Boniface (three

points) and Fort William CPR (two points) were left to fight it out. A victory by either side would ensure first place, but St. Boniface could also finish first with a draw.

Fort William opened the scoring in the first half, but St. Boniface both equalised and took the lead in the second half. Centre forward Simmonds scored both goals to give the Manitoba champions the lead before Fort William's Jerry Dean equalised. The draw, however, was enough to clinch first place and the Connaught Cup. Centre half Billy Innes was noted as St. Boniface's hero of the match.

FORT WILLIAM READY FOR SOCCER PLAYERS.

Fort William, Ont., Aug. 7.— This city is preparing for big football doings here next week when the Dominion football championships are played off here in the Connaught Cup Series.

Secretary Burdette to-day received final confirmation of the choice of this city for the location of the games.

There will be two hundred soccer players in teams representing Manitoba, Saskatchewan, and the parts of Eastern Ontario.

Fred Barter, of Montreal, president of the Dominion Football Association, expects to bring a boatload of football enthusiasts from the East.

CHAMPIONSHIP WINNING GOAL · SIMMONDS

The Norwood Wanderers' Simmonds scored the series-winning goal in the last match of the 1913 Championship. With the club needing a draw or better in their final match, Simmonds delivered a two-goal performance to clinch the title.

TOP SCORER - SIMMONDS

St. Boniface's centre forward Simmonds scored five goals in three round-robin matches during the 1913 Championship. Fort William's outside right Jerry Dean finished second with three goals scored.

CONNAUGHT CUP - CAPTAIN ALEX SIMPSON

After the final match, the Connaught Cup was handed to Alex Simpson, the captain of the Norwood Wanderers team, by Tom Watson, the new president of the Dominion of Canada Football Association. While the winning players received "Champions of Canada" medals, the 22 players from the runners up Fort William and Lachine received lockets donated by outgoing DCFA president Fred Barter.

As noted in the Manitoba *Free Press*, the Norwood Wanderers "received congratulatory messages from Mayors Deacon and Berry."

NORWOOD WANDERERS WELCOMED HOME AS HEROES

The Norwood Wanderers were the first champions and "accorded (a) great reception" after winning the Connaught Cup. Upon returning home from Fort William, the team was met at the train station by the mayor and civic council of St. Boniface.

NORWOOD WANDERERS FC OF ST. BONIFACE

STORY OF THE CHAMPIONSHIP

Norwood Wanderers FC of St. Boniface captured their second consecutive Dominion of Canada Football Championship by finishing at the top of the 1914 Connaught Cup standings. It all came down to the final day and it all ended with the same outcome: St. Boniface captured the silverware.

For its second year, the Connaught Series expanded from six to 10 matches with the addition of the Saskatchewan winners from Regina. After four days, Regina and Lachine were out, leaving Toronto Eaton's, Fort William CPR, and St. Boniface in a three-way fight on the final Saturday.

In the first match, Fort William beat Toronto to reach six points, leaving only St. Boniface with a chance to catch them. In the deciding

game, St. Boniface needed to win and they needed to maintain a superior goal average across their four matches - which they did with a 1:0 win over Lachine (with Nicholson the goalscorer).

Walter Simpson was the hero with three clean sheets in four matches.

Toronto centre forward Hughie McQueen scored four goals in four round-robin matches during the 1914 Championship. Fort William's centre forward Dickie Green finished second with three goals.

CONNAUGHT CUP · CAPTAIN HARRY McMASTER

St. Boniface enjoyed the support of the home crowd throughout the 1914 Championship, with all matches played in neighbouring Winnipeg. The defending champions did not disappoint, with captain Harry McMaster collecting the Cup on the final day.

As noted in the Manitoba *Free Press*, the St. Boniface winners were celebrated with "an automobile procession around the two cities of Winnipeg and St. Boniface. About ten cars carrying the players of the team and about 75 friends went down to York avenue, back to Portage and west as far as Free Press corner, cast again to Main Street, and south almost to the CPR, and then south to Norwood and back through St. Boniface to the city hall."

1915

WINNIPEG SCOTTISH FC

STORY OF THE CHAMPIONSHIP

The 1915 Dominion of Canada Football Championship featured a new elimination format, with four teams split into a west vs. east competition. The Manitoba representatives Winnipeg Scottish FC came out on top, eliminating Fort William CPR in the semi-finals and then Toronto Lancashire FC in the final.

Winnipeg went undefeated in four matches, scoring nine goals and conceding just two. In the final series, they traveled east by train where they faced their hosts Toronto Lancashire. After a 0:0 draw, they completely overwhelmed their opponents in the second match, scoring six times to win the match and clinch the series.

Winnipeg were "worthy winners" of the Connaught Cup. George Mair (two), Charles Forsyth (two), Billy Corrie, and Jocko Anderson were the goalscorers. Inside left "Wee" Johnny Plenderleith was the hero of match as he "ran round the opposition in his own sweet way."

CONNAUGHT CUP - VICE-CAPTAIN BILLY CORRIE

After the final whistle, both teams were celebrated at a banquet where Craig Campbell, newly-elected president of the Dominion of Canada Football Association, presented the Connaught Cup to Billy Corrie, the Winnipeg vice-captain. After a "well-time speech," Corrie then gave the trophy to team manager Dan McNeil.

Captain Billy Anderson was unavailable for the final through an ankle injury which had kept him on the sidelines for much of the season. He traveled with the team and wrote the match story for the Winnipeg *Tribune* back home, noting that, "every player, member and supporter here is tickled to death."

Scottish Football Team Welcomed Home By Monster Throng

Upon returning to Winnipeg, the team was "welcomed home by (a) monster throng" at the train station. The heroes were then celebrated at Thistle rink at a banquet that included Mayor Richard Waugh. "Local sportsmen did not mind the late hour in their eagerness to show their esteem for the Scotsmen. Not only did footballers turn out to give the New Champions the 'glad hand,' but leading officers in nearly every brand of sport were on deck."

THE GREAT WAR YEARS • 1916 • 1917 • 1918

The Connaught Series was suspended for three seasons during the Great War in Europe. From the many footballers who served overseas, Billy Childs (Regina) and Hughie McQueen (Toronto) were two heroes that lost their lives.

1919

MONTRÉAL GRAND TRUNK FC

STORY OF THE CHAMPIONSHIP

After a three-year hiatus, the Connaught Series resumed in 1919 with the familiar four-team format. This time, Montréal Grand Trunk FC were equally the hosts and winners of the Dominion of Canada Football Championship.

After eliminating Toronto Old Country in a home-and-away series in the semi-finals, Montréal won the final 3-1 over the visiting Winnipeg War Veterans. Outside left Alec Smith was the hero of the two-match Dominion final. In the second match of the final, he assisted on Eddie Stott's winning goal at Westmount Park.

As noted in the Montréal *Gazette*, "there was some inspiration in the big crowd. It seemed that as many as four of every five men of military age wore the disharged soldier's button.

"The big crowd overflowed the field and sat and stood several rows deep along the line back of the eastern goal and along the south side of the field, but the gathering was well behaved and orderly, leaving little to do for the few policemen inside the grounds."

Montréal won the two-match Dominion final 3-1, with Jimmy McLeish scoring the series winner in the opening match. After goalkeeper Walter Simpson stopped an Alec Smith chance, McLeish capitalised on the clearance for the 2-1 series lead.

TOP SCORER - D. JACKSON of TORONTO

Jackson led the 1919 Championship with three goals in two matches, although his Toronto team did not reach the final. Winnipeg's Stan Howell scored three goals in four matches, but lost in the final.

CONNAUGHT CUP - CAPTAIN JIMMY McLAGGAN

Montréal right back Jimmy McLaggan served as captain of the Championship-winning Grand Trunk FC. After the win at home, "there was a wild rush of spectators to the field and the Grand Trunk players were lifted shoulder high and carried from the grounds by their supporters. The (Winnipeg) Veterans were not

forgotten and were congratulated for the splendid defence that they had made against the more speedy Grand Trunks, especially after their long trip from the west. The Veterans took their defeat in a sportsmanlike manner and were the first to crowd the dressing room of the champions to offer their congratulations."

HAMILTON WESTINGHOUSE

STORY OF THE CHAMPIONSHIP

Hamilton Westinghouse were the first team to capture the Connaught Cup after extra time, winning the 1920 Dominion of Canada Championship on a Billy Gilvear winner at Varsity Stadium in Toronto. Knotted 1-1 after two matches, the extra period was played with Hamilton at an advantage as Winnipeg had already been reduced to nine men through injuries.

Westinghouse were the first team from Ontario to win the title. After eliminating Montréal CPR in the first round, they advanced to the final from a three-team series with Winnipeg Brittanias and Fort William CPR. After an additional series was required to split Winnipeg and Fort William, the final opened in Hamilton. The second match was played in Toronto as part of a Labour Day double header following the Toronto-Montréal all-star match.

CALGARY HILLHURST FC

STORY OF THE CHAMPIONSHIP

Calgary Hillhurst FC wrestled the Dominion of Canada Championship honours west to the province of Alberta for the first time in 1922. Calgary won the two-match, total goals series 2-1 over Toronto Ulster United FC, with all three goals scored in the opening match. In reaching the final, Calgary Hillhurst FC eliminated Nanaimo FC and Winnipeg United Weston FC before continuing east to Toronto.

In the final, Calgary took a 2-1 lead and then defended their way to the title, with hero Andy Wilson making 11 saves and posting the clean sheet in the second leg. He did so in front of a record crowd of 7,000 fans.

Back home, the Calgary Daily Herald "arranged for a rapid bulletin service on the match" at First Street West. The hosts Toronto, meanwhile, were reduced to nine men through injuries in each half. Despite their "no surrender" attack, Toronto's Red Handers just couldn't score an equaliser. Calgary had their chances, too, but wouldn't add to their 2-1 series lead in the Saturday heat.

After the Saturday win, Calgary returned home and were fetted by a Thursday parade, a Friday luncheon, and a Saturday smoker.

CHALLENGE TROPHY • CAPT. NEIL MacFARLANE

After the final, the Dominion of Canada Football Association met Nanaimo at the McLaren hotel where they made the official presentation of the Championship trophy. John Easton, past president, handed the trophy to Neil MacFarland, the Nanaimo team captain.

CANADIAN TOURS - AUSTRALIA 1924 - NEW ZEALAND 1927

In 1924 and 1927, the Dominion of Canada Football Association selected some of the best players from across the country to go on tour across Australia and New Zealand. Both tours were over the summer months, which meant selected players missed the Connaught Series. In 1924, Winnipeg lost Bob Harley, but that opened up a spot for the young Bill Matthews. In 1927, Nanaimo lost Stan Tait and Ernie Edmunds, replaced by Tommy Routledge and Alex Thompson.

MONTRÉAL CANADIAN NATIONAL RAILWAYS

STORY OF THE CHAMPIONSHIP

Montréal Canadian National Railways won the 1929 Dominion of Canada Football Association, one spot better than their second-place finish in 1928. Montréal eliminated both Oshawa General Motors and Fort William Canadian Legion in the playdowns before beating Winnipeg United Weston FC in the Dominion final.

Like he was in 1928, Bill Finlayson was the leader of Montréal's 1929 attack. After being shut out against Oshawa, the Montréal hero scored three times against Fort William and four times against Winnipeg.

In winning the 1929 Dominion title, the Nationals were the first team from Montréal in 10 years to capture the Championship. They were also the first team to reach the final in back-to-back years.

CHAMPIONSHIP WINNING GOAL - BOB CAMPBELL

Montréal's sturdy left half Bob Campbell scored the series-winning goal of the 1929 Dominion final. From a 5:0 win in the final match, Campbell collected the ball from a poor clearing and then promptly opened the scoring in the fifth minute.

TOP SCORER - BILL FINLAYSON

Montréal's Scotsman Bill Finlayson scored seven goals in six matches during the 1929 playdowns, including four goals and two assists in the final two matches. The next best scorers finished with four goals.

WESTMINSTER ROYALS FC

STORY OF THE CHAMPIONSHIP

Westminster Royals FC won the 1930 Dominion of Canada Football Championship, winning their second title in three years. The team featured nine returning players from the 1928 squad, this time eliminating Calgary Hillhurst FC and Winnipeg Hearts in the playdowns before beating Montréal Canadian National Railways in the Championship final.

It could have been either side's day in the finale, but Westminster took the honours after Jock Coulter scored the lone goal on a penalty. Goalkeeper Aubrey Sanford, the hero of the Championship, posted his third clean sheet of the 1930 Connaught Series.

CHAMPIONSHIP WINNING GOAL - JOCK COULTER

WESTMINSTER ROYALS FC

STORY OF THE CHAMPIONSHIP

Westminster Royals FC won the 1931 Dominion of Canada Football Championship to become just the second team to win back-to-back titles. They also became the first team to win the Championship on three occasions. Despite losing five players through suspension, the Westminster team made sufficient replacements to become the first three-time winners of the Championship. Newcomers like Bill Findler and Ernie Hammond supported the existing cast that included Aubrey Sanford, Dickie Stobbart, and Dave Turner. The captain Turner was the hero of the Championship while 39-year old Stobbart won his fourth and last title.

TORONTO SCOTTISH FC

STORY OF THE CHAMPIONSHIP

With the Dominion final back in Toronto, Ulster Stadium was the venue for Toronto Scottish FC to claim their second Dominion of Canada Football Championship in the summer of 1932. After eliminating Fort William Canadian Legion and Montréal Blue Bonnets in successive playdowns, Toronto Scottish FC won the Dominion final over North Shore United FC.

After losing the 1931 title to back-to-back winners Westminster Royals FC, Scottish FC returned a more polished team in the 1932 series. They posted five wins and one draw in six matches, including a trio of clean

sheets by goalkeeper Hugh Wallace.

Centre forward Andy Stevens was the heart and hero of the Toronto attack, scoring three of five goals in the Dominion final against North Shore. Johnny Rogers and Jimmy Winning were the two other scorers in the final.

Captain Billy Somers was "a tower of strength" in his position at centre half, shutting down the North Shore attack.

CHALLENGE TROPHY - CAPTAIN BILLY SOMERS

After the final match, Tom Holland, president of the Dominion of Canada Football Association, presented the Challenge Trophy to Toronto captain Billy Somers. As noted in the Toronto *Telegram*, Toronto "Controller James Simpson, on behalf of the Mayor, complimented both teams."

TORONTO SCOTTISH FC

STORY OF THE CHAMPIONSHIP

Toronto Scottish FC became the third team to win back-to-back Dominion of Canada Football Championship titles when they won it all at Carruthers Park in Winnipeg. They also became the second team to win their third Championship, eliminating both McIntyre Mines and Montréal CNR before

they defeated Prince Albert City Reds in the 1933 Dominion final.

Despite winning only three of nine matches, Toronto were the last team from the pre-War era to go undefeated throughout the Connaught Series. By the time they reached the final, however, they were reduced to just 11 players with no alternates as Billy Somers was injured and Andy Stevens stayed home after the death of his mother.

Playing a conservative game, Toronto was almost content to draw Prince Albert in the first two matches. They then let loose in a 3:0 win to capture the Championship. Three-time winner Hector MacDonald was the hero of the series, scoring three of Toronto's five goals.

CHAMPIONSHIP WINNING GOAL - HECTOR MacDONALD

Toronto's old reliable Hector MacDonald scored the series-winning goal of the 1933 Championship final. After back-to-back draws, Toronto won the third game 3:0, with MacDonald breaking the ice in the 15th minute.

TOP SCORER - BILL McMANUS

Toronto's 23-year old outside left Bill McManus scored 10 goals in nine matches during the 1933 Championship. Calgary's Bill Yoxall ranked second in the Championship with seven goals in five matches.

1934 VERDUN PARK FC

STORY OF THE CHAMPIONSHIP

Verdun Park FC were an emerging team in the east before they put it all together to win the 1934 Dominion of Canada Championship. Led by the goalscoring exploits of Larry Fitzpatrick and the 'entertaining antics' of Roland Castonguay, the Verdun-based club eliminated Sudbury Frood Mines and beat Prince Albert City Reds to capture the Dominion title.

Fitzpatrick and Castonguay were involved in seven of Verdun's nine goals in the Dominion final. Castonguay was the hero of the series. After splitting the first two matches, Verdun Park FC captured the laurels with a 4:1 win in the third and final match.

Fitzpatrick was one of four brothers that featured in the 1934 play-downs, with Larry and Charlie the two regulars. As for Verdun Park FC, this would be their only title as the franchise folded before the following year.

CHAMPIONSHIP WINNING GOAL - ROLAND CASTONGUAY

Verdun Park's 21-year old outside left Roland "Dempsey" Castonguay scored the series-winning goal in the 1934 Championship final. He scored on a header from a Billy Holmshaw free kick midway through the first half of a 4:1 win.

TOP SCORER - LARRY FITZPATRICK

Montréal's 28-year old Larry Fitzpatrick scored eight goals in eight matches during the 1934 Championship, including three in the final. Winnipeg's Eddie Hodgert ranked second with seven goals scored.

For the second year in a row, John Easton of Winnipeg, past president of the Dominion of Canada Football Association, made the official presentation of the Challenge Trophy to the winning team.

MONTRÉAL ALDRED BUILDING

STORY OF THE CHAMPIONSHIP

Montréal Aldred won the 1935 Dominion of Canada Football Championship, although it took them more matches than any previous winner. With an additional round to their schedule, Montréal had to beat Halifax, Sudbury and Fort William in the playdowns before beating Nanaimo FC in the Dominion final. In doing so, they scored 30 goals in 11 matches.

Montréal was somewhat of a stacked team, with past winners from two former champions (Montréal CNR and Verdun Park) featured in their lineup. Up front, Montréal got steady goalscoring from Paddy Fallon, Larry Fitzpatrick, and Davey McLean. In net, star goalkeeper Jimmy Nelson posted a clean sheet in each round of the Connaught Series. With Larry Fitzpatrick twice injured in the Dominion final, brother Charlie stepped up as the team's scoring hero.

CHAMPIONSHIP WINNING GOAL - BOB CAMPBELL

In the Dominion finale, Montréal captain Bob Campbell scored the series-winning goal less than 10 minutes from the final whistle. Albert Bejshak hit the crossbar and Larry Fitzpatrick kept the ball in play before Campbell scored the winner.

TOP SCORER - PADDY FALLON

Paddy Fallon scored eight goals and one assist in 10 matches during the 1935 Championship, including one in the final series. Teammate Larry Fitzpatrick scored eight goals in 11 matches.

WESTMINSTER ROYALS FC

STORY OF THE CHAMPIONSHIP

The famous Westminster Royals FC became the first team to win the Dominion of Canada Football Championship on four occasions, ending a four-year drought in between titles. After beating up the Calgary Callies in a Far West opening series, the Royals waited two weeks before hosting and beating Winnipeg United Weston FC in the 1936 Championship final.

Geographically, the 1936 Dominion final was actually played 'next door' at Con Jones Park in the City of Vancouver, but it was close enough that the Royals were Dominion champions at 'home.' After Westminster and Winnipeg split the first two matches, the Royals won the deciding match three goals clear.

With 24 goals scored and only four conceded, they posted the secondbest goals average in the Championship history. Half of those goals came in a 12:0 victory over Calgary Callies in the opening round, a record score.

Captain Dave Turner was the hero of the Connaught Series, scoring three goals and three assists in Dominion final against Winnipeg.

Along with several repeat winners, the 1936 squad also featured first-time winners Tommy McKibbin, Johnny McKay, and Trevor Harvey, all of whom would win more titles with other teams in the years to come.

Westminster's "tenacious" Dave Turner scored the series-winning goal of the 1936 Championship final. On a low shot following a rebound, Turner scored the opening goal of a 3:0 win over Winnipeg in the third and deciding match.

TOP SCORER - JOCK COULTER

Westminster's 34-year old centre forward Jock Coulter scored 13 goals in five matches, including seven goals in a single match against Calgary. Winnipeg's Cy Johnson ranked second with seven goals.

VANCOUVER JOHNSTON NATIONAL STORAGE

STORY OF THE CHAMPIONSHIP

Vancouver Johnston National Storage won the 1937 Dominion of Canada Football Championship, winning six of eight matches across three rounds. The Vancouver club eliminated Edmonton Civics and Winnipeg United Weston FC before beating famed Toronto Ulster United FC in the Championship final.

Toronto were recent repeat champions from the National League, but they had gone 12 years since their last Dominion title in 1925.

Vancouver remained unfazed. After losing the first match, Vancouver struck back to win the second match. Then down 2-1 in the third match, they came from behind to win the finale and clinch the title.

Nearly all of Vancouver's lineup was new to the playdowns, with only Hugh Greer (1934 quarters) and Trevor Harvey (1936 winner) boasting experience. After this one and only win, the JNS club disbanded after the Championship.

CHAMPIONSHIP WINNING GOAL - JAMES "SWEDE" LARSON

Vancouver's James "Swede" Larson scored both the equaliser and the winner in the final match of the 1937 Championship. He equalised in the first half and then scored the winner in the second half of the 3:2 win over Toronto.

The team from North Vancouver eliminated Calgary Callies and Winnipeg United Weston FC before beating Timmins Dome Mines in the Dominion final.

In the final, North Shore and Timmins drew before the Northern Ontario team took the series lead with a 3:1 win. North Shore came right back to win the third match, with centre half Trevor Harvey shutting down striker George Chambers.

1939 VANCOUVER RADIALS

STORY OF THE CHAMPIONSHIP

Vancouver Radials were the fourth successive British Columbia team to capture the Dominion of Canada Football Championship, winning the best-of-three series in four matches. They were also the fourth different British Columbia winners in as many years. Through the 1939 playdowns, Vancouver eliminated Edmonton Civics and Winnipeg Irish before beating Montréal Carsteel FC in the Championship final.

Hap Smith may have been the hero with two goals and an assist in the final, but according to Radials manager Harold Till in the Vancouver Sun, "there was not a standout on the team. All the boys played grandly."

In the Dominion final, a draw and Montréal win put Vancouver on the ropes, but they responded with back-to-back wins to capture the title.

FOOTBALL HERO

Marcel Castonguay was a Dominion of Canada Championship winner in 1948 with Montréal Carsteel FC. In the final at Broadview Field in Toronto, Marcel scored the series winning goal with just 10 minutes remaining as Carsteel FC came from behind to beat Vancouver St. Andrews FC.

Still only 20 years old in 1939, he saw action at outside left when his older brother Roland moved to the opposite wing. That same year, he was part of the Montréal all-star selection that faced the touring Scottish team.

After losing the 1938 Coupe du Québec to his brothers, Marcel joined Carsteel FC and won provincial titles in 1939 (with all three in the lineup) and 1948 (along-side brother Paul-Émile). In the National League, both Marcel and Roland helped Carsteel FC win the Atholstan Cup in 1940.

FOOTBALL HERO

Ernie Edmunds won two Championship runners up medals with his hometown Nanaimo clubs, but he missed a chance to lift the title in 1927 when Canada came calling. Edmunds was selected to play for Canada with good reason. As noted in the Toronto *Telegram*, Edmunds was "said to be without an equal in (his) position." That summer, he was Canada's left back for all four international matches.

At the club level, Edmunds won BC Cup provincial titles in 1926, 1932, and 1934, all with Nanaimo. Said captain Neil MacFarlane in 1927, Edmunds "was one of the best fullbacks that ever played with Nanaimo City."

FOOTBALL HERO

Eddle MacLaine was a goal-scoring star in Montréal after he arrived from Scotland in 1924. Re-instated as an amateur after his career in Scotland, he was twice selected to play for Canada in 1925, scoring Canada's winning goal in the first home international on 27 June in Montréal.

As noted in 1931 by the Toronto Star, he had "a habit of scoring unexpected goals." In that year's Connaught Series playdowns, he scored four goals in three matches against Toronto Scottish FC.

MacLaine was a constant goalscoring threat in the 1920s. He joined famous Carsteel FC in 1925 and won his first of two Coupe du Québec provincial titles with the franchise. After a stint with Providence FC south of the border, he scored a record 60 goals in the National League with Montréal.

In the early 1930s, MacLaine helped Carsteel FC reach the National League's Atholstan Cup final in 1931 and 1932.

After winning the title, Moir represented Canada in an away international friendly match against USA in Brooklyn.
